

**Magellan Orthopaedic Society
Biennial Meeting, 7 – 9th April 2000
Nara Resort, Gold Coast. Australia**

Friday, April 7th, 2000.
--

11.00 am **Registration**
Scottish Prince Lounge

 Speaker Ready Room Open
 Executive Board Room

12.00 Midday **Welcome Lunch**
Shoreline Restaurant

1.00 pm Resort Check In time

1.30 pm Move to Conference room
Presidential Room

1.45 pm Welcome Brian CASEY.

2.00 pm Scientific Session 1.
A. C. L. Part 1.
Chairman Brian Casey

2.00 pm Dean TAYLOR
**Thirty Year Follow-up of Isolated Anterior
Cruciate Ligament Injuries**

2.10 pm Discussion

2.15 pm John ALBRIGHT
**Optimising Dynamic Control of the ACL
Deficient Knee**

2.25 pm Discussion

2.30 pm Robert JOHNSON
2000 ACL Injuries

2.40 pm Discussion

2.45 pm Nicholas MOHTADI
**A Prospective Randomised Comparison of Patient
Satisfaction with Inpatient versus Outpatient
ACL Reconstruction**

2.55 pm Discussion

3.00 pm *Afternoon Tea / Coffee*

3.30 pm Scientific Session 2.
Other Knee Problems, Part 1.
Chairman Dean Taylor

3.30 pm Louis ALMEKINDERS
**Patellar Tendinitis: A Result of Repetitive
Compressive Forces rather than Tensile Forces**

3.40 pm Discussion

3.45 pm Kevin PLANCHER
**Infrapatellar Branches of the Saphenous Nerve:
Relationship to ACL Arthroscopy Portals and
Incisions**

3.55 pm Discussion

4.00 pm John BERGFELD
**A Biomechanical Comparison of Posterior
Cruciate Ligament Reconstruction Techniques**

4.10 pm Discussion

4.15 pm Nicola MAFFULLI
**Enforced Detraining Due to Intramedullary
Nailing Induces Changes to Intramuscular
Architecture of the Quadriceps**

4.25 pm Discussion

4.30 pm **Symposium 1**
***Articular Cartilage Problems, what really
works and what is best for the patient.***
Chairman; Peter MYERS
**Panel: Kai Ming CHAN, Nik FRIEDERICH,
Carlo FABBRICIANNI**

5.15 pm Close of Session

6.30 pm Speaker ready room closes

**6.45 pm Board Ferry at SeaWorld Nara
Wharf (near the swimming pool)**

7.00 pm **Dinner Cruise** on Southport
Broadwater.
Dress is Casual. Any tie worn
qualifies for a yellow card.
Dinner Cruise finishes.

10.00 pm

**Magellan Orthopaedic Society
Biennial Meeting, 7 – 9th April 2000
Nara Resort, Gold Coast. Australia**

Saturday, April 8th

7.00 am Speaker Ready Room open
Executive Board Room

7.30 am Continental Breakfast
Waterfront Terrace

Scientific Session 3.
Chairman Bruce TWADDLE

8.00 am N MAFFULLI and K M CHAN
**Intra-Articular Hyaluronic Acid Favours
Recovery of Articular Cartilage Lesions of the
Knee Following Immobilization for 6 Weeks in
Rabbits**

8.10 am Discussion

8.15 am Kevin PLANCHER
**The Spino Glenoid Ligament: Anatomy,
Morphology, Histology and Clinical Relevance
with Arthroscopic Release**

8.25 am Discussion

8.30 am Stewart WALSH
The Rugby Forearm Fracture

8.40 am Discussion

8.45 am Carlo FABBRICIANNI
**Osteochondral Autografts in the Treatment of
OCD of the Knee: Long Term Results**

8.55 am Discussion

Scientific Session 4
Chairman Luigi PEDERZINI

9.00 am Bruce TWADDLE
**A Treatment Algorithm for Early Surgical
Management of Dislocatable Knees.**

9.10 am Discussion

9.15 am Robert LaPRADE
**A Qualitative and Quantitative Analysis of
Attachment Morphology of Important
Posterolateral Structures**

9.25 am Discussion

9.30 am K M CHAN & Christer ROLF
Achilles and Patellar Tendinosis

9.40 am Discussion

9.45 am Paper

9.55 am Discussion

10.00 am *Morning Tea / Coffee*

Scientific Session 5.
Chairman Nicholas MOHTADI

10.30 am Nicola MAFFULLI
**Histology of Achilles Tendon Repairs: A
Comparison with Unruptured Tendons**

10.40 am Discussion

10.45 am Stewart WALSH
The Kiwi Ankle Reconstruction

10.55 am Discussion

11.00 am **Symposium 2**
***Posterior Knee Instability, Patterns and
Treatment.***

Chairman Kai Ming CHAN
**Panel: John BERGFELD, Bruce TWADDLE,
Robert LaPRADE**

11.45 am
Magellan Society Business Meeting

12.30 pm Close of Session

Afternoon Free

Evening **Poolside Barbeque Dinner**
Dress is smart casual

10.00 pm Dinner finishes (noise restrictions
apply).
Conviviality may continue upstairs
or travel into Surfers Paradise.

**Magellan Orthopaedic Society
Biennial Meeting, 7 – 9th April 2000
Nara Resort, Gold Coast. Australia**

Sunday, April 9th

7.00 am	Speaker Ready Room open Executive Board Room	10.45 am	René VERDONK DNA Typing in Meniscal Allografting
		10.55 am	Discussion
7.30 am	Continental Breakfast Waterfront Terrace	11.00 am	Robert JOHNSON A Prospective Study of Knee Injury Risk Factors in Competitive Alpine Ski Racers
		11.10 am	Discussion
Scientific Session 6			
A. C. L. Part 2.			
Chairman David Martin			
8.00 am	Matteo DENTI Motor Control Performance in the Lower Extremity: A Comparison of Normals to Anterior Cruciate Ligament Reconstructed Knees 5 – 8 years from the Index Surgery	11.15 am	Symposium 3 Thermal Shrinkage, Does It Work ? Chairman Kevin PLANCHER Panel: Stewart WALSH, Dean TAYLOR
8.10 am	Discussion		
8.15 am	Dean TAYLOR Update on Anterior Cruciate Injury Rate Differences Between Female and Male Cadets at the United States Military Academy	11.45 am	New Magellan Members, The ESSKA-WPOA/APOSSM Travelling Fellows. Chairman Dean TAYLOR
8.25 am	Discussion	11.45 am	Arne EKELAND (Godfather) Mechanical Properties of a Reconstructed ACL 8 months after insertion
8.30 am	Carlo FABBRICIANNI Fixation Strength of ACL Reconstruction with Doubled Hamstring Tendon Graft. A Biomechanical Study on a Sheep Model	11.55 am	Discussion
8.40 am	Discussion	12.00 am	Halit PINAR Lax Peripheral Attachments of the Menisci.
8.45 am	Luigi PEDERZINI A New Tibial Fixation System in ACL Reconstruction	12.10 am	Discussion
8.55 am	Discussion	12.15 am	Christos PAPAGEORGIU The Biomechanical Interdependence between the ACL replacement Graft and the Medial Meniscus
9.00 am	Reconvened Business Meeting	12.25 am	Discussion
9.45 am	<i>Coffee / Tea</i>	12.30 am	Helmut SEITZ Operative versus Conservative Treatment of Chronic Anterior Instability of the Knee – Long Term Results
Scientific Session 7		12.40 am	Discussion
Meniscus Pathology		12.45 pm	Close of Session
Chairman Nik Friederich			
10.15 am	René VERDONK Viable Meniscal Allografts: 78 Cases with a 1.2 to 10.8 years Follow-up	1.00 pm	Poolside Lunch
10.25 am	Discussion		
10.30 am	Peter MYERS The Meniscal Flounce	Afternoon	Transfer to Jupiter's for World Congress of Orthopaedic Sports Trauma
10.40 am	Discussion
